

Corporate Days at Druids Lodge Polo Club

Summer 2020

Please get in touch to design your own day at Druids, we are happy to amend the below to meet individual requirements and can accommodate a combination of playing and non-playing guests. Get in touch for a bespoke corporate day quote.

Non Playing:

Join us at the weekend to watch a polo match and get close to the action. Meet the ponies in the pony lines before taking your seat (or your pitch-side blanket!) for the main event. Enjoy a delicious hamper crammed with locally sourced ingredients and delicacies and knock back a glass of rosé while you watch the action. Afterwards join us for the prize giving and a chat to the players. For those that are keen, you can also give it a try yourself, we can combine with either of the below Playing options. Get in touch to find out more

Prices start at £75 per person

Playing:

½ Day

Experience the thrill for yourselves. Enjoy a coffee on arrival, then pick up a short stick and learn the basic shots on your feet. Once you've got to grips with this you will mount up and learn how a polo pony operates. Finally, put the two together and learn to stick and ball while mounted, nothing beats the thrill of your stick making perfect contact with the ball and watching it fly!

Prices start at £120 per person

Full Day (10am – 4pm)

Arrive at Druids, enjoy a coffee in the clubhouse and hear a little about polo and the history of the sport. Then you'll pick up short sticks and head out to learn about the basic shots. Next you'll mount up and learn how to ride a polo pony. You'll then be ready for lunch which will be served in the clubhouse (various options available). After lunch it will be time for a quick tour and a chance to meet our mares and foals. Afterwards you will learn some of the rules and tactics of playing the game before mounting up again and learning how to put it all together, stick and balling for the first time from the horse. Finally, there will be some friendly chukkas to put all you've learned into practice.

Prices start at £250 per person
